

CTV-MC6

REPLACEMENT MICROPHONE CONNECTING PROCEDURE FOR CONTINENTAL/VDO HANDS-FREE RADIOS

In addition to the faceplate microphone, many Continental/VDO radios include provision for an external Mic. Enter the CTV-MC6 external microphone kit.

Package contents:

- Microphone on 10 ft. cable x 1
- 6-pin GREEN ISO socket x 1
- U-shape visor clip with self-adhesive backing x1

Installation:

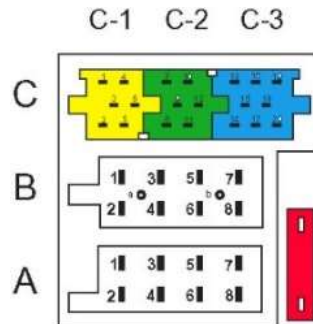

Fig. 1

1. Connect microphone GREEN iso plug to 6-pin socket as seen in Fig. 1

Warning: Ensure Green plug is fully inserted to GREEN socket
